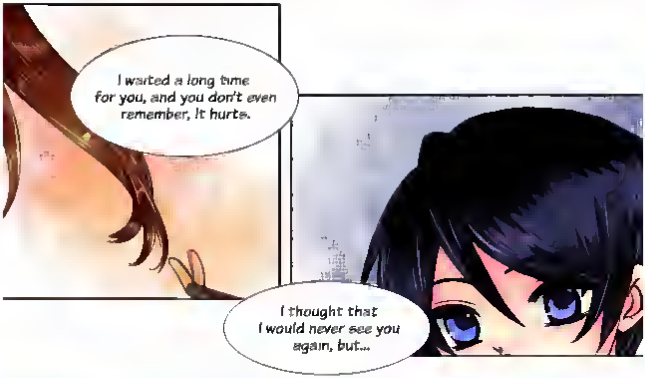
Thanks for taking the time to read this message

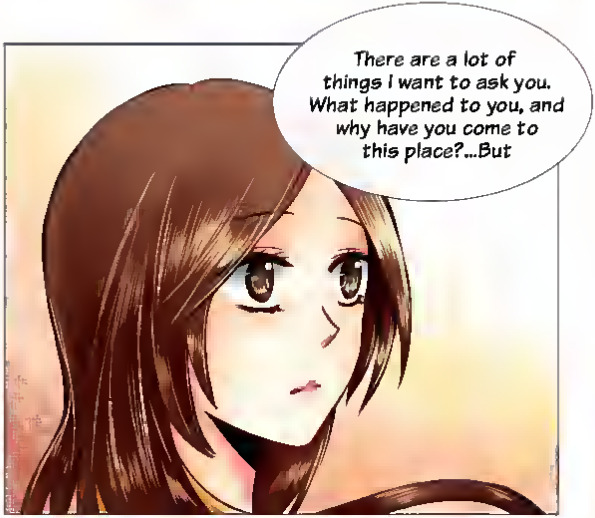
Can you explain? When did we meet?
I doubt it would make a difference, even if I told you now.
That's something you should think about for yourself. It hurts me.



I waited a long time for you, and you don't even remember, It hurts.
I thought that I would never see you again, but...

IT'S GOOD THAT WE MET LIKE THIS.

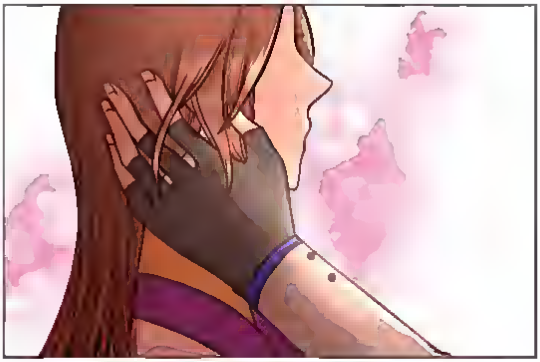
You must have a lot of questions.

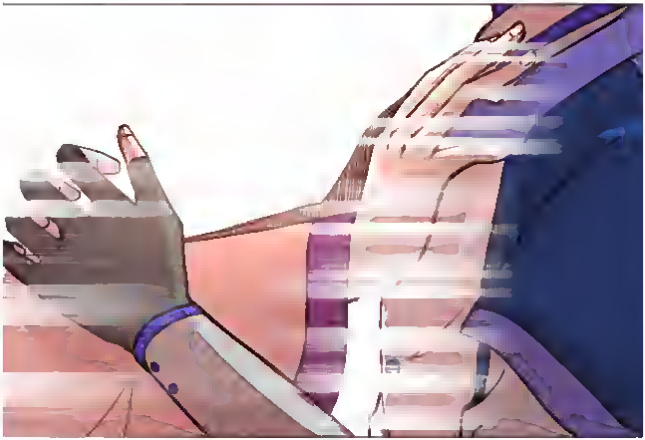


There are a lot of things I want to ask you. What happened to you, and why have you come to this place?...But

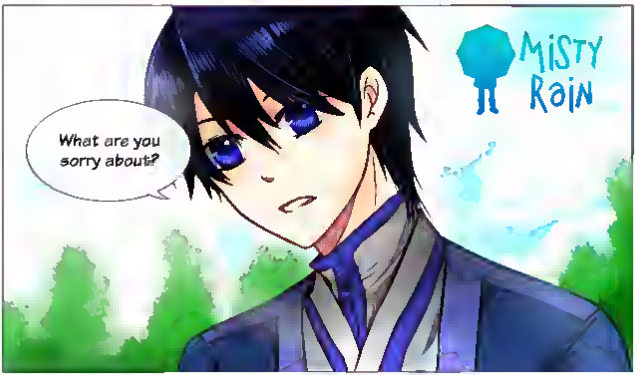
You've lost all of your memories and the only thing you remember is your name. I can't blame you for anything, though it's all too convenient.
MISTY RAIN

I just have to endure it...
I feel like we've met each other in the past.
Why can't I remember?
If that's the truth, then the emperor now is...





...Look, so
I'm...I'm sorry...sorry



What are you sorry about?
MISTY RAIN

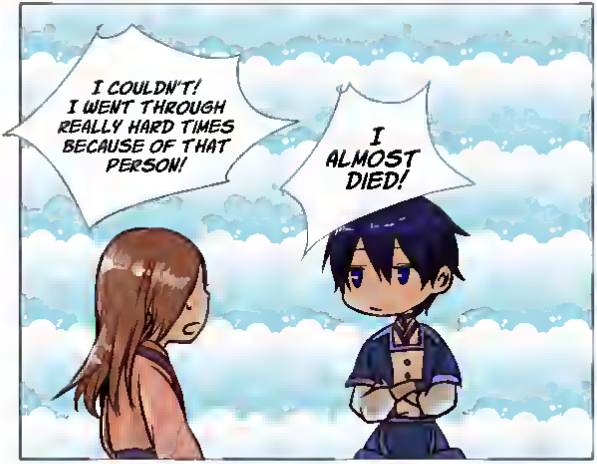
No matter how hard I try, I can't remember... and my situation is so...
I can't talk about it. I didn't plan for it,and yet...

You were waiting.

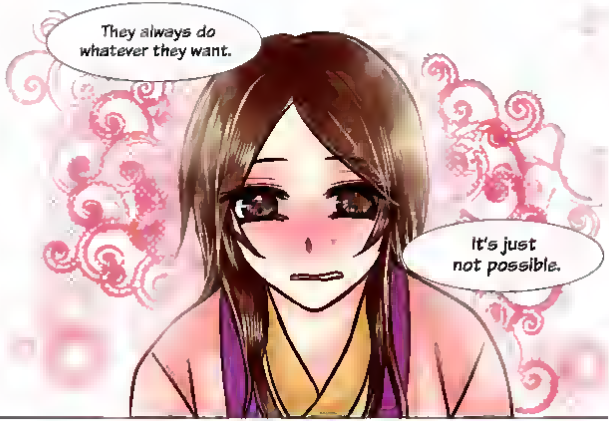
And for what?
When it's the same person.
I suddenly remember
that emperor from before.
How come?
Why?

It's obvious.
They're the same person.
So...
They look a little different, but no matter if it's the past or present! They're definitely the same person!
Yes, that is it. That's all.
I don't want to think about it.
I'm curious, do you maybe...

Is there someone that you like, or anyone that you became engaged to while you were away?



I COULDN'T! I WENT THROUGH REALLY HARD TIMES BECAUSE OF THAT PERSON!
I ALMOST DIED!



They always do whatever they want.
It's just not possible.

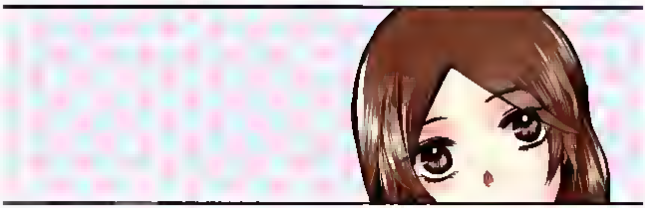
What am I saying?
Why am I trying so hard to defend myself? He didn't even ask about that.
Let's not think too deeply. It's not that important.

I need to calm down.
The reason I'm here. I need to focus on that.
Ah, Hmm, I'm curious about something however.
Not interested
What are you curious about?

How can you use the power of water like you did before? How did you use it with a bow?
MISTY RAIN

Don't you need the royal sword to use that power, the one with the inscription on it?

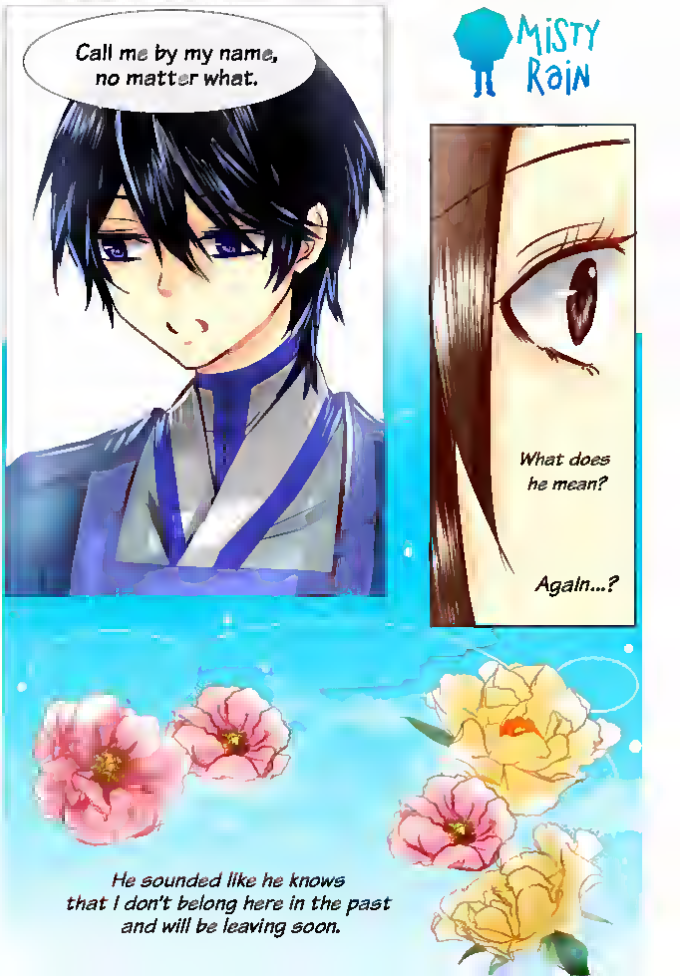
WELL...



It would be
easy to tell you.

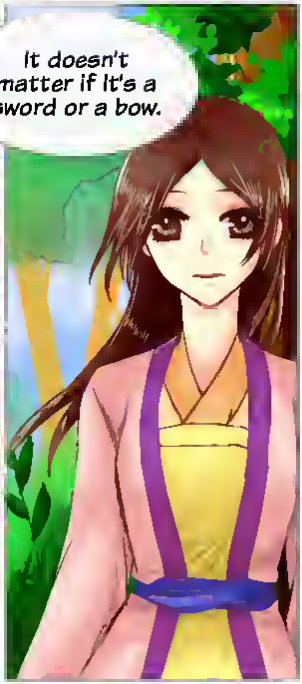
But you don't expect me to tell you about it for free though, do you?
AH... BUT I HAVE NOTHING WITH ME.
That's okay.

When we meet again,
I'll tell you, but you have to promise me one thing.



Call me by my name, no matter what.
MISTY RAIN
What does he mean?
Again...?
He sounded like he knows that I don't belong here in the past and will be leaving soon.

I'm the one that uses the power.



It doesn't matter if it's a sword or a bow.

Then what about the Forest of Blue? No one can really enter.

The Forest of Blue? It's just a Forbidden Place.

Just a forbidden place?
It's different from before.
As I thought, you're here.
